THE CANTON DIPLOMATIC **DELEGATION ISSUES DENIAL** OF RUMOURS ABOUT CANTON

The Canton Diplomatic Delegation has issued the following statement:-

There is no truth in the recent reports circulated by Reuters and other channels of Imperialist mendacity regarding the arrest of Russian advisors by General Chiang Kai-shek or their deportation by the Canton Government. The only fragment of fact in these British inspired lies is the departure on the 24th inst. from Whampoa of the Russian steamer "Lenin" with the Soviet Trade Delegation that was visiting Canton with a view to fostering and developing trade relations between Soviet Russia and Canton. British Imperialism naturally envisages such an economic orientation as detrimental to the system which has hitherto enabled Hongkong to bleed and batten on the body of the Cantonese People.
